HAVE YOU EVER HEARD OF
EDISON'S GHOST DETECTOR?

EDISON WAS INCREDIBLY CURIOUS ABOUT
PARANORMAL PHENOMENA AND INVENTED
THE GHOST DETECTOR TO RESEARCH IT.

APPARENTLY, HE WAS ABLE TO GET SOME
SUCCESSFUL RESULTS USING HIS DETECTOR.

IN SPITE OF THIS PEOPLE
STILL CALLED HIM A FAKE

THEY CONFISCATED HIS GHOST DETECTOR
AND OF COURSE THE RESULTS HE COLLECTED
AS WELL I DON'T UNDERSTAND WHY EDISON
COULDN'T JUST MAKE ANOTHER GHOST
DETECTOR.

TOWARDS THE END OF HIS LIFE,
HOWEVER, HE SAID HE WOULD PROVE
THAT GHOSTS EXISTED.

NO ONE BELIEVED HIM AT FIRST,

BUT RIGHT AFTER HE DIED.

*ALL OF HIS FRIENDS AND FAMILY'S
WATCHES STOPPED AT EXACTLY
THE SAME TIME*

COULD IT HAVE BEEN HIS GHOST?

0.0MHz

2. REQUIREMENTS

SLEEP
PARALYSIS...

IS MORE
LIKELY TO
OCCUR WHEN
YOU'RE TIRED.

WHEN
YOU'RE
TIRED?

YUP, WHEN
YOU'RE ZONING
IN AND OUT OF
SLEEP...OR RIGHT
BEFORE YOU
WAKE UP.

I THINK WE
SHOULD DETERMINE
WHETHER TO CONSIDER
NIGHTMARES AS PARA-
NORMAL PHENOMENA
OR NOT FIRST.

SO SLEEP
PARALYSIS
MIGHT NOT BE
PARANORMAL?

IN DEEP SLEEP YOUR BODY MAY BE ASLEEP BUT YOUR MIND IS ACTIVE AND CONSCIOUS. THIS IS HOW YOU CAN SEE YOURSELF IN A DREAM.

THE REASON LUCID DREAMING IS SO POPULAR IS BECAUSE YOU CAN ACTUALLY KEEP YOUR SELF-AWARENESS WHILE YOU ARE DREAMING.

SLEEP PARALYSIS CAN OCCUR WHEN YOUR SELF-AWARENESS BECOMES FULLY ACTIVE WHILE YOUR BODY IS STILL DEEP IN REAL SLEEP.

SO...

WE CAN'T CONCLUDE THAT SLEEP PARALYSIS IS PARANORMAL IN ORIGIN.

THAT'S WHY
I'M TELLING
YOU TO DECIDE
WHETHER IT'S ALL
IN YOUR DREAMS OR
IF IT'S ACTUALLY THE
WORK OF A GHOST.

BUT... IT
HAPPENED
YESTERDAY
TOO

IN MY CASE,
IT IS AFTER I
BREAK FREE FROM
THE PARALYSIS THAT
I TEND TO SEE A
GHOST NEARBY.

I NEVER LIKED HIM IN THE FIRST PLACE,
BUT WHEN HE JOKES AROUND I HATE HIM MORE

WELL,
ANYWAY,
LET'S TRY
TO THINK
OF MORE
CASES.

I WAS
THINKING
THAT THE TIME
AND PLACE
ARE PRETTY
IMPORTANT
TOO.

IF YOU THINK
ABOUT IT, PLACES
LIKE ABANDONED
BUILDINGS OFTEN
HAVE UNDERGROUND
RIVER CHANNELS
RUNNING BENEATH
THEM.

THAT'S
TRUE.

AND
TIME...

LONG AGO
THEY USED TO
CALL THE PERIOD
BETWEEN 11:00PM
AND 3:00AM THE
HOUR OF GHOSTS.

AH/
RIVERS!!

WHAT ABOUT
BRAINWAVES,
HYUNG?

BRAIN-
WAVES?

CAN'T UNDER-
GROUND RIVERS
AFFECT BRAIN
WAVES IN SOME
WAY TAE-SOO-
HYUNG?

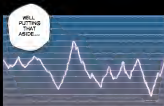

THEY
CAN.

UNDER-
GROUND
RIVERS COULD
ALSO BE
RELATED TO
SLEEP OR
DIALYSIS.

SO ARE
WE BACK
TO TALKING
ABOUT SLEEP
PARALYSIS
AGAIN?

THE FREQUENCY THAT OUR KI MUST BE AT IN ORDER TO SEE PSYCHIC PHENOMENON IS 0.0001. ISN'T IT?

YUP.

THERE IS NO WAY TO MEASURE OUR KI...

EXCEPT, PERHAPS THROUGH MEASURING THE FREQUENCY OF OUR BRAINWAVE.

Ah!!

SO, WE'D BE
ABLE TO TELL
THE DIFFERENCE
BETWEEN A DREAM
AND A PARANORMAL
PHENOMENON.

THAT'S IT.
BUT IF WE WANT
TO CONFIDENTLY
SAY THAT BRAIN
WAVES ARE THE KEY
TO PARANORMAL
PHENOMENA...

WE NEED TO
COLLECT SOME
DATA FROM HUMAN
SUBJECTS FIRST.

HUMAN
SUBJECTS?
SO BRAINWAVES
OF ARTISTS...

OR
STUDENTS.

DO WE
REALLY HAVE
TO CONDUCT
THIS SURVEY?

WE ALREADY
HAVE STUDENTS
HERE BUT GETTING
ARTISTS OR
SENATORS WILL
BE DIFFICULT.

...

NO, I DON'T
THINK IT'S THE
RIGHT TIME TO
ASK THEM YET.

NOT ALL ARTISTS
SEE GHOSTS. WE
SHOULD CONDUCT
A PRIVATE STUDY
FIRST TO EXAMINE
ANY CHANGES IN
BRAINWAVES.

WHAT
I'M MOST
CURIOUS
ABOUT
THEM...

IS
SO-HEE'S
BRAINWAVES.

SO-HEE CAN EVEN SEE GHOSTS NOW, RIGHT?

...

That... [unclear]! How dare he do this to So-Hee-nam-nam...!!

?

SO-HEE CAN EVEN SEE GHOSTS NOW, RIGHT?

...

That... [unclear]! How dare he do this to So-Hee-nam-nam...!!

?

IS THAT TRUE, SO-HEE?

You too, naaaa, stop asking questions.

IS THAT TRUE, SO-HEE?

You too, naaaa, stop asking questions.

RIGHT NOW,
INSIDE THIS
CAFE...

THERE ARE
TWO WOMEN.

591 9003

it's
daytime
now...

does that
mean...the time
of day doesn't
matter at all?

THEN WE
SHOULD
RESEARCH
SCANNING
A LITTLE
MORE.

IF...

WE'RE
ACTUALLY
RIGHT ABOUT
THIS...

EDISON'S
GHOST
DETECTOR IS
THEORETICALLY
POSSIBLE.

BUT...

ARE WE
RIGHT,
GRANNY?

SO-HEE-NOONA CAN SEE GHOSTS.

-to be continued-
